General

At NSE, we know you care about your personal information, so we have prepared this privacy policy (our "Privacy Policy") to explain how we collect, use and share it. By using or accessing the Service (using NSE website, contacting NSE in any way, buying NSE products), you agree to the terms of this Privacy Policy.

Capitalized terms not defined here have the meanings set forth in the terms and conditions (the "Terms and Conditions"), located at <http://nse.no/download/repair-rma-tc/>. We may update our Privacy Policy to reflect changes to our information practices. If we do this and the changes are material, we will post a notice that we have made changes to this Privacy Policy on the Website for at least 30 days after the changes are made, and we will indicate the date these terms were last revised at the bottom of the Privacy Policy. Any revisions to this Privacy Policy will become effective at the end of that 30-day period.

Information We Collect

When you contact NSE you typically provide us with two types of information: (i) Contact information like company and personal email and phone number, and (ii) what kind of products you are interested in. The data stored are company name, company address, personal name, position, email, phone number and product of interest.

When you enter the Website, we collect your browser type and your IP address (a unique address that identifies your computer on the Internet). In addition, we store certain information from your browser using "cookies." A cookie is a piece of data stored on the user's computer tied to information about the user. We use session ID cookies to confirm that users are logged in. If you do not want information collected through the use of cookies, there is a simple procedure in most browsers that allows you to deny or accept the cookie feature.

NSE does not share your any of your personal information with third-parties.

Use of Information Obtained by NSE

We may use your contact information to send you notifications regarding new services offered by NSE that we think you may find valuable. Generally, you may opt out of such emails.

Information Obtained by Third Parties

To support and enhance the Service, we may work with a variety of third party advertising networks, marketing analytics service providers and website analysis firms (collectively, "Third Party Advertising Service Providers"). These Third Party Advertising Service Providers may collect and use non-personally identifiable information about your visits to and use of the Website as well as other websites in order to serve you with advertisements and content tailored to meet your preferences and likely interests or better understand ad effectiveness. Aggregate demographic and interest data may also be used for market research purposes.

You can opt-out of receiving personalized ads from advertisers and ad networks that are members of the Network Advertising Initiative ("NAI") or who follow the DAA Self-Regulatory Principles for Online Behavioral Advertising using their respective opt-out tools. The NAI's opt-out tool can be found here <http://www.networkadvertising.org/choices/> and the DAA's opt out tool can be found here <http://www.aboutads.info/choices/>.

In addition, your mobile devices may offer settings that enable you to make choices about the collection, use, or transfer of mobile app information for online behavioral advertising (for example, Apple iOS' Advertising ID and Google Android's Advertising ID). Please note that opting out does not prevent the display of all advertisements to you.

Sharing Your Personally-Identifiable Information With Third Parties

As a general rule, NSE do not share your personally-identifiable information with any Third-parties.

We may be required to access and disclose personally-identifiable information in response to lawful requests, such as subpoenas or court orders, or in compliance with applicable laws.

Additionally, we may access and share account or other personally-identifiable information when we believe it is necessary to comply with law, to protect our interests or property, to prevent fraud or other illegal activity perpetrated through the Service or using the NSE name, or to prevent imminent harm. This may include accessing and sharing personally-identifiable information with other companies, lawyers, agents or government agencies.

If the ownership of all or substantially all of the NSE business, or individual business units or assets owned by NSE, were to change, your personally-identifiable information may be transferred to the new owner. In any such transfer of information, your personally-identifiable information would remain subject to this section.

Updating or Deleting Your Personally-Identifiable Information

You have at all times the right to delete your account with NSE by contacting us at support@nse.no. After your account is deleted we will retain aggregate or anonymous data collected, including Activity Data, which may be used by NSE.
